## Personal Data Processing

### We use this kind of data about you

We use data about you to make our service better and secure quality in our product and services in our contact with you.

The data we use includes:

- General personal data, including contact persons at your company

### We collect and store your data for specific purposes

We collect and store your data for specific purposes or other legitimate business purposes such as:

- Processing your purchase and delivery of our performance
- Honoring your request for products or services
- Managing your relationship with us

### We only process relevant personal data

We only deal with data about you that is relevant and sufficient in relation to the purposes defined above. We do not collect nor store more data than needed for a specific purpose.

### We only process required personal data

We collect, process and store only the personal data needed to meet our intended purpose. Additionally, it may be decided by law what type of data is required to collect and store for our business operations. The type and extent of the personal data we process may also be required to fulfill a contract or other legal obligation.

### **We check and update your personal data**

We verify that the personal data we have on you is not incorrect or misleading. We also make sure to update your personal data continuously.

As our service is dependent on your data being accurate and up to date, please inform us about relevant changes to your data. You can use the contact details above to notify us of any changes.

### **We do not disclose your personal data without your consent**

We do not disclose personal data to third parties.

## **Security**

Accessing your data requires a password and is limited to those who have true needs. All computers connected to the Internet are equipped with firewalls and automatic virus control.

## **Your rights**

### **You have the right to have inaccurate personal data corrected**

If you believe that the personal data we have on your is inaccurate, you are entitled to correct it. You must contact us and indicate what the inaccuracies are and how they should be corrected.

In some cases, we will have an obligation to delete your personal data. This applies, for example, if you withdraw your consent. If you believe your data is no longer necessary for the purpose for which we obtained it, you can ask us to delete it. You can also contact us if you believe your personal data is being processed in violation of the law or other legal obligations.

When you address a request to correct or delete your personal data, we will investigate whether the conditions are met and, if so, make changes or deletions as soon as possible.

### **You have the right to object to our processing of your personal data**

You have the right to object to our processing of your personal data. You can use the contact information at the top to send an objection. If your opposition is justified, we will stop processing your personal data.
